"I forget-I always forget," he said, downcast again. "I forget the walls of the prison. I'm not such a fool when I'm outside them... When I'm here I can't believe it is a prison. But outside, without you, I remember... I don't want to go, but I have to go. I don't want to admit that anything here can be wrong or go wrong, but I have to... I'll go this time, and I will go north, Elehal. But when I come back I'll stay. What I need to find I'll find here. Haven't I found it already?" "or hints of a greater mastery. As one true element controlled all substances, one true knowledge." "Well. . . um. . . someone you could trust. . ." "he had transformed brick into butterfly. "If he wants a fife-player," she said..".Ah, ah, ah," said the old wizard..down on her haunches and hid her face in her arms, shutting him out, shutting the world out..".Thank you," I said, "not for me. . ."....industry..brave. Or brave, they said around the tavern table, in the wrong way, or the wrong place, d'you.political center of the country. Erreth-Akbe's visit seems to have coincided with the final shift..".Now that is interesting," said the old scholar, sitting up straighter. "I told you I was reading about dragons. You know there's been talk of them flying over the Inmost Sea as far east as Gont. That was no doubt Kalessin taking Ged home, multiplied by sailors making a good story better. But a boy swore to me that his whole village had seen dragons flying, this spring, west of Mount Onn. And so I was reading old books, to learn when they ceased to come east of Pendor. And in one I came on your story, or something like it. That men and dragons were all one kind, but they quarrelled. Some went west and some east, and they became two kinds, and forgot they were ever one..".His name..".shoots and the long, falling leaves..and sent the healing into his hands with the words of power spoken over and over.
