The Astronaut Corps fought like crazy to keep you off this trip. Time enough for that on later flights. We were blinded by our loyalty to the test-pilot philosophy of space flight. We wanted as few scientists as possible and as many astronauts as we could manage. We don't like to think of ourselves as ferry-boat pilots. I think we demonstrated during Apollo that we could handle science jobs as well as anyone. We saw you as a kind of insult, a slap in the face by the scientists in Houston to show us how low our stock has fallen.".but never used them..spent a good deal importing all those tons of sand from some distant world on the stargate system to.It was Nina..colorful prince as you.' It was then that he'd called her Nina? it wasn't her name, but he felt a need to somehow identify this wide-mouthed, pink-tongued stranger who slaked herself upon him, slaked his own urgency again and again as her hissing breath rasped in his ears. When I was through with my talk and with the question-and-answer session, I sang "Randali's Song" in my most resonant baritone and absolutely brought the house down. . . . criticism written without personal feeling is not worth reading. It is the capacity for making good or bad art a personal matter that makes a man [sic] a critic. . . . when people do less than their best, and do that less at once badly and self-complacently, I hate them, loathe them, detest them, long to tear them limb from limb and strew them in gobbets about the stage or platform. . . . In the same way really fine artists inspire me with the warmest possible regard. . . . When my critical mood is at its height personal feeling is not the word; it is. I started to frown. She was suited except for her helmet, which contained her radio. He knew he was in. "Now," said Jack, rubbing his wrists, "I can look at myself again and see why I am Prince of the Far Rainbow." It was painful to leave the mystery for later, but there was nothing to be done about it. They could not bring themselves to uproot the thing, even when five more like it sprouted in the graveyard. There was a new consensus among them to leave the Martian plants and animals alone. Like nervous atheists, most of them didn't believe Song's theories but had an uneasy feeling of trespassing when they went through the gardens. They felt subconsciously that it might be better to leave them alone in case they turned out to be private property. . . . "You're right, of course.
